SEPTEMBER 1979

### SEPTEMBER 8TH - A BIG DAY.

September 8th marks a new milestone in the short history of Bar Hill Village. It is the day when the Village Hall is to be officially opened. The short ceremony will take place at 1.45 pm and will, hopefully, prove to be the beginning of a new era in the social life of the village.

At 2 pm the focus of attention will move to the Village Green where the 1979 Village Fete will be taking place. A full and varied programme of entertainments is planned along with the usual stalls and sideshows. There will be a Tug of War marathon from 3 pm onwards with teams from surrounding villages competing for a trophy. The Road Race will be run by those who are still in a fit state after visiting the Fermenters Guild Beer and Wine stall. Childrens races will take place during the afternoon and there will be a MR. MEN FANCY DRESS competition run by the Playgroup. Everyone is asked, for their own SAFETY, to keep completely clear of the area at the top of the green which lies between the new line of trees and the hedgerow (near Pheasant Rise), as this will be used - if wind conditions permit - for a display of radio-controlled model aeroplanes from Model Mania in Kings Street. The Royal Anglian Regiment will be providing a static display of modern weapons throughout the afternoon. Music will be provided by Cottenham Brass Band and University Keyboards. Marshalls Flying Club are hoping to put in an appearance with two Tiger Moths; (as with the model aircraft this display depends very much upon the British Climate). Programmes giving further details of all planned displays and activities will be on sale a few days before the Fete.

Alongside the Fete the School will be housing the annual show of the Horticultural Society with classes for flowers, fruit and vegetables and various awards for the successful.

If anyone has any energy left, the days activities will be rounded off by a dance in the evening.

VILLAGE HALL MANAGEMENT COMMITTEE.

DONATIONS.

We are very pleased to report that Tesco have offered us £500 worth of materials from their store to help in the finishing of the hall. This very kind offer will be of tremendous assistance in getting paint, paper, fittings and equipment which would otherwise have tended to get missed off what we could afford. This donation is in addition to the £250 and facilities for the Christmas Draw which enabled us to raise £850 at that time. Our grateful thanks go to MR. PURVEY and his Directors for all this assistance.

HELP NEEDED.

For those who missed our note in the August News we will be needing volunteers to help in the decoration of the hall. We will probably have access in late September to start the work. Will anyone else who can help please contact Gerry Brunning at 29, Otter Close - Tel. 81085.

### BAR HILL FERMENTERS' GUILD.

The seventh Annual General Meeting of the Guild will take place in the Small Hall of the School on Tuesday 2 October at 8pm.

We usually meet on the first Tuesday of the month throughout the greater part of the year. Our Committee arranges annual home-made beer, bread and wine competitions (although we don't take them too seriously); invites speakers on various topics; and organises darts matches and brewery visits (one is already booked for early 1980). The Barbeque has now become a very popular yearly tradition, and there is also a New Year Party for members and their guests. The Guild is sympathetic towards, but in no way officially connected with, the Campaign for Real Ale (CAMRA). We won't bore you with lots of technicalities (but we will try to help if things go wrong). We don't frown upon beer- and wine-making kits (some of us don't even make beer or wine). The subscription is presently £1 per annum, and this entitles members to a 10% discount on home-fermenting ingredients and equipment.

If you are still in doubt, come along to our stall at the Village fete on Saturday 8 September.

LETTER TO THE EDITOR.

1, Otter Close,  
Bar Hill.

Dear Sir,

Mrs. Price's Interesting letter prompts me to write that during ten years at Bar Hill we have seen here thirty four species of bird and heard a further two. We can account for eighteen species seen in our garden, fourteen of which appeared during one cold Sunday early this year.

Incidentally, the bird on the Bar Hill sign is a Bustard not a Buzzard.

Yours faithfully,  
Bryan Pitman.

## PARISH COUNCIL NOTES

The monthly meeting of Bar Hill Parish Council was held on Tuesday 21st August in the Green Hut.

### Resignation

The Council regretfully accepted the resignation of Mark Pettit, who is leaving the village shortly. Mark has been closely connected with the work of the Parish Council for the last six years, either as a serving councillor or as Clerk, and his wide experience and knowledge of village affairs will be greatly missed. The Council would like to thank him most sincerely for all his past service to the village, and to wish him every success in the future. Mark's resignation leaves a vacancy on the Council, and anyone who is interested in becoming a parish councillor is invited to contact the Chairman, David Lindsay, or the Clerk, Christine Avery.

### Health Centre

Lyn Moss reported on her recent visit to the Health Centre, when she had discussed the difficulties encountered by villagers in obtaining appointments. An assurance was given that anyone needing to see a doctor during surgery hours would be given an appointment, and although it was preferable for patients to see their own doctor, any doctor would see a patient in an emergency. Alternatively, urgent appointments could be made at the Huntingdon Road surgery, and outside surgery hours an answering service would supply the name and telephone number of a doctor on duty. Dr. Anderson was aware of and sympathised with the problems of Bar Hill residents, and offered to speak and answer questions at a public meeting if it was felt that this would be helpful. Lyn Moss is presently arranging a suitable date for this, although due to holiday commitments it will probably not be until mid-October. More information will be given in next month's News.

### Parish Council Administration

The Parish Council has decided to make some changes in its administration. In particular, a new Senior Clerk is to be appointed (see separate advertisement) with responsibility for management of the Works Department, administration of the sale of freeholds, and to be professional adviser to the Council. The current Clerk and Treasurer will continue with their present clerical functions.

## PARISH COUNCIL NOTES (cont)

### Hollytrees

The Parish Council has reluctantly accepted the need for limited housing development in the area of Hollytrees adjoining the perimeter road in order to achieve some improvement in the appearance of Hollytrees as a whole.

### Television Programme

Due to industrial action, Anglia TV have unfortunately had to postpone the filming which had been scheduled for mid-August. No alternative date is available until the strike action is concluded, but the Parish Council will do its best to keep villagers informed.

### Village Hall Opening Ceremony

The opening of the Village Hall will take place on Saturday 8th September at 1.45 p.m., immediately before the Village Fete. Mr. John Burton of Bar Hill Developments Ltd has been invited to perform the opening ceremony.

### Next Meeting

The next meeting will take place on Tuesday 18th September at 8.00 p.m. in the Green Hut.

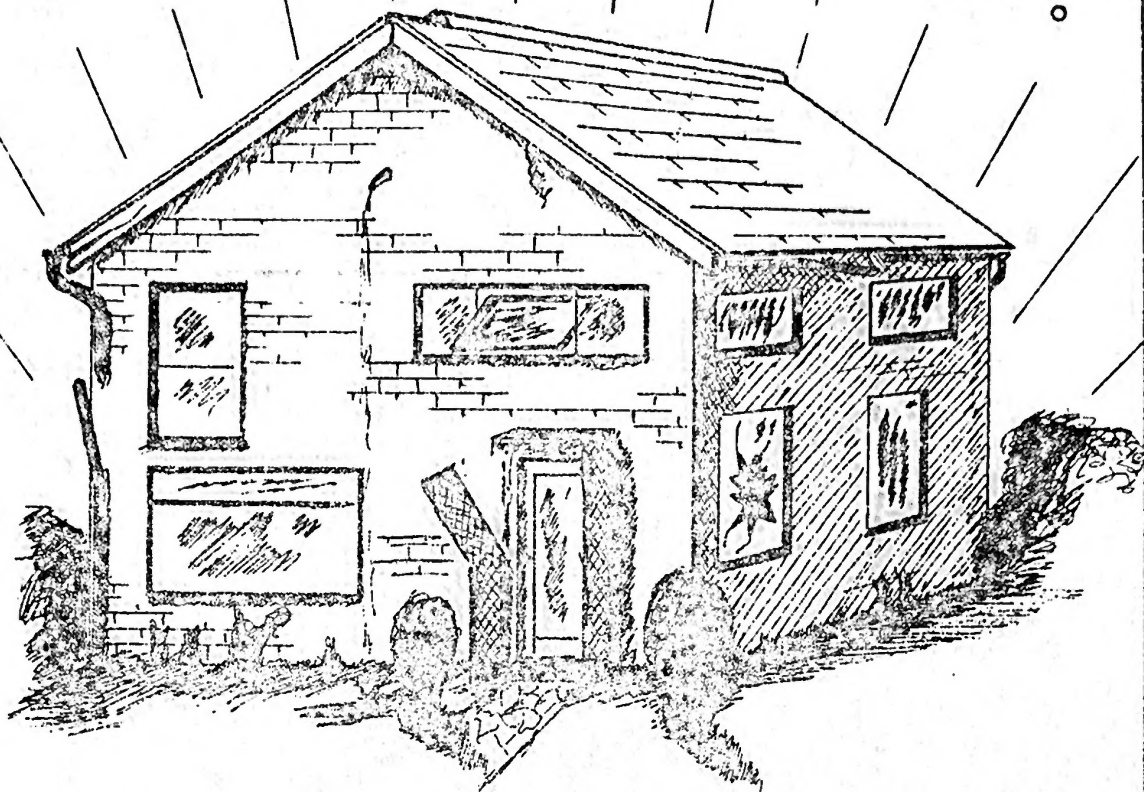

---

Bar Hill Parish Council wishes to appoint a new part-time Clerk. The post entails management of the Works Department; administration of the sale of freeholds, obtaining, presenting and advising on necessary information for discussions in Council, and general administration, including finance. The person appointed as Clerk must be knowledgeable about local government, and preferably have gained this knowledge through actual experience. The salary for this post will be £1500 p.a.

If you wish to apply for this position, or for further information, please contact Mrs. C. Avery, 23 Foxhollow, Bar Hill, telephone Crafts Hill 81233; by 10th September.
